

**SUBDIVISION APPLICATION,
(VESTING) TENTATIVE TRACT AND PARCEL MAPS**
(Planning Commission Public Hearing Required / Average Processing Time: 8-12 Weeks)

SUBMITTAL CHECKLIST

- 1. **APPLICATION FORM**
- 2. **APPLICANT LETTER**
 - A. On a separate sheet of paper, please describe your project.
- 3. **FEE PAYMENT**

See attached fee schedule for applicable fee information. Make check(s) payable to the "City of Costa Mesa."
- 4. **PUBLIC NOTIFICATION REQUIREMENTS**
 - A. **Radius Map:** This map shall show the subject property and all properties within a **500-foot** radius. Assessor parcel numbers must be shown on all affected properties.
 - B. **Mailing Labels:** Submit two sets of typewritten mailing labels & one photocopy. A mailing label is required for every property that is within the 500-foot radius (either wholly or partially). The mailing label must contain the assessor parcel number above the name of the owner and applicable address. Property owner names and addresses shall be obtained from the latest available County of Orange assessment rolls.
 - C. **Certification Letter:** The person who prepared the radius map and mailing labels shall write and sign a letter certifying that the information is true and accurate.
- 5. **PLANS – either blueprint or photocopies**
 - 1. **6 copies - 18" x 26"** (or larger) of the subdivision map **folded to 8-1/2" x 11"**, with the face of the plans out.
 - 2. **10 copies - 11" x 17"** copies of the subdivision map, **folded to 8-1/2" x 11"**, with face of plans out.
 - 3. **1 copy - 8-1/2" x 11"** copy of map.
- 6. **FILING FOR A VESTING TENTATIVE MAP**

The City permits the filing of vesting tentative maps. See **page 2** for additional requirements.

PROCESSING TIME

Approximately 8-12 weeks. The following will extend the processing time:

- Incomplete application (due to lack of information, inaccuracies or revisions)
- Project revisions made by the applicant
- Environmental document required (e.g. Negative Declaration)

PLANS CHECKLIST

The required plans for a Tentative Tract/Parcel Map must contain the following information:

- 1. Title of subdivision and legal description of property
- 2. Name and address of owner and subdivider
- 3. Name and address of person preparing map
- 4. Approximate acreage (gross and net)
- 5. Contours at 5 foot intervals if slope is greater than 10%
- 6. Contours at 2 foot intervals if slope is less than 10%
- 7. Existing watercourses
- 8. Land subject to overflow or inundation
- 9. Locations of existing and proposed public utilities, sewers, water lines, storm drains, culverts, etc.
- 10. Existing property use immediately surrounding the subdivision
- 11. Names/numbers of adjoining subdivisions
- 12. Proposed land use: single-family, multi-family, business or industrial
- 13. Lands and parks to be dedicated for public use
- 14. Approximate radii of curves
- 15. Lot/parcel numbers or other designations
- 16. Lot/parcel lines and dimensions
- 17. Existing structures
- 18. Proposed building site elevations
- 19. Width and location of easements and dedications; dimensions of reservations (proposed and existing)
- 20. Width of alleys, existing and proposed
- 21. Cross sections of proposed streets
- 22. Location, width, and grades of proposed streets
- 23. Name, location, width, and grades of existing adjacent streets
- 24. Boundary lines
- 25. Date of map
- 26. Scale: Large enough to be descriptive, depending on area being divided, 1" = 100 feet minimum
- 27. North arrow;

FILING FOR A VESTING TENTATIVE MAP

Approval of a vesting tentative map vests the application with development standards and requirements (such as fees) in place at time of approval, even if building permits are not immediately obtained.

Filing of a vesting tentative map, however, requires the submittal of the following (in addition to items 1-4 on page 1):

1. At the time a vesting tentative map is filed, it shall have printed conspicuously on its face the words "Vesting Tentative Map." This requirement is mandatory and failure to comply with it will prevent the subdivider from obtaining the benefits of a vesting map.
2. The subdivider must provide the following additional information at the time the vesting tentative map is filed:
 - a. The maximum height, total square footage, and general location of all future buildings on the subject property (include one 11" X 17" site plan containing this information);

- b. The proposed location and size of connections to sewer, water, storm drain, and roadways;
 - c. A preliminary grading plan indicating reasonable approximation of site cut and fill (cubic yards) along with any required geological studies;
 - d. Methodology of satisfying storm water runoff and the estimated amount of storm water runoff in CFS (cubic feet per second);
 - e. School impact analysis for grades K through 12;
 - f. Traffic impact analysis, as required by CEQA;
 - g. Conceptual building signing program;
 - h. Any other material considered essential to the proper evaluation of the project (i.e., open space maintenance responsibilities, provisions made for trails and/or parks and their maintenance responsibilities).
3. A vesting tentative map cannot be accepted for filling unless all other discretionary land use approval applications are already approved or are filed concurrently with the map.
 4. If the vesting tentative map accompanies a project that is inconsistent with the zoning ordinance in existence at the time of filling, such inconsistency shall be noted on the map by the subdivider.

APPEALS

The Planning Commission is responsible for approving or denying this application. The item can either be appealed or called up for hearing before City Council. The appeal must be filed by 5:00 p.m. within 7 days of the Planning Commission's decision at the City Clerk's office at City Hall. See attached fee schedule for the filing cost of an appeal.

MATERIALS INCLUDED IN APPLICATION

Additional material included in this packet:

- Application form
- Format sample of mailing labels
- Surrounding property notification example map
- A partial list of surrounding property notification service companies
- Processing fees information

WATER QUALITY MANAGEMENT PLANS

WHY ARE THEY REQUIRED?

In response to the Federal Clean Water Act of 1987 and the National Pollution Discharge Elimination System (NPDES) permit requirements, the City of Costa Mesa requires the Water Quality Management Plan (WQMPs) for certain types of projects. The intent is to reduce the content of storm water runoff to the maximum extent possible.

WHAT TYPE OF PROJECT REQUIRES A WQMP?

1. All construction projects, which require discretionary approval by the City of Costa Mesa, shall be required to submit a WQMP for approval by the City prior to the issuance of building permits.
2. All subdivisions of land shall be required to submit a WQMP for approval by the City prior to recordation, if determined applicable by the City.

WHAT IS A WQMP?

A WQMP is a written document indicating what structural and non-structural “best management practices” will be incorporated into the project, both design and operation characteristics, to control pollutant runoff into the storm drain system over the life of the project. Contact the City for more information about this requirement.

SEISMIC HAZARD MAP ACT SUMMARY

WHAT IS REQUIRED?

The State’s minimum criteria for project approval within Seismic Hazards Zones are defined in the California Code of Regulations (CCR Section 3724 (b)). The following is a summary of the criteria that shall be used by the City of Costa Mesa:

1. A project shall be approved only when the nature and severity of the seismic hazards at the site have been evaluated in a geotechnical report and appropriate mitigation measures have been proposed.
2. The geotechnical report shall be prepared by a registered civil engineer or certified engineering geologist.* The geotechnical report shall contain site-specific evaluations of the seismic hazard affecting the project, and shall identify portions of the project site containing seismic hazards. The report shall also identify any known off-site seismic hazards that could adversely affect the site in the event of an earthquake. The contents of the geotechnical report shall include, but shall not be limited to, the following:
 - Project description.
 - A description of the geologic and geotechnical conditions at the site, including an appropriate site location map.
 - Evaluation of site-specific seismic hazards based on geological and geotechnical conditions, in accordance with current standards of practice.
 - Recommendations for appropriate mitigation measures as required in Section 3724(a), above.
 - Name of report preparer(s) and signature(s) of a certified engineering geologist and/or registered civil engineer.*
3. Prior to approving the project, the City of Costa Mesa, or a City-selected consultant,* shall independently review the geotechnical report to determine the adequacy of the hazard evaluation and proposed mitigation measures and to determine that the requirements of Section 3724 (a) above, are satisfied.

*Having competence in the field of seismic hazard evaluation and mitigation
(Above criteria from the “*Guidelines for Evaluating and Mitigating Seismic Hazards in California*” – March, 1997)

NOTE: This is a listing of City Departments and Divisions as well as other agencies that may require a development fee for your project. Although it is intended to be a complete list, there may be other agencies (AQMD, CalTrans, etc.) that have fees that are not included above. It is your responsibility as either the applicant or authorized agent to ensure all applicable fees are paid. These fees are subject to change; therefore, please contact the responsible City Division or agency for the current rate.

City of Costa Mesa Traffic Impact Fees

The City of Costa Mesa assesses a traffic impact fee on an incremental basis. The fee is assessed as follows:

Traffic Impact Fee Schedule	
Effective November 21, 2005	
EXISTING PLUS PROPOSED AVERAGE DAILY TRIP ENDS (ADT)¹	TRAFFIC IMPACT FEE¹
0-25 ADT	\$0/ADT
26-50 ADT	\$50/ADT for incremental trips exceeding 25 ADT.
51-75 ADT	\$75/ADT for incremental trips exceeding 50 ADT.
76-100 ADT	\$100/ADT for incremental trips exceeding 75 ADT.
101 ADT OR MORE	\$181.00 per average daily trip.
<p>1. For the determination of the appropriate incremental traffic impact fee rate, the existing ADT (if applicable) plus the proposed new ADT are combined together. The traffic impact fee is assessed on the increased number of average daily trips generated by the proposed project. Any and all questions regarding the City's traffic impact fee should be directed to the City's Transportation Services Division, located on the 4th floor of City Hall.</p>	

City of Costa Mesa Parkland Impact Fees

The City of Costa Mesa recently approved an increase in its parkland impact fees. The new parkland impact fees will be incrementally increased over a 3-year period. The following table indicates the applicable parkland fee per unit that will be applied to a new residential subdivision based on the date the application is filed with City.

Parkland Impact Fee Schedule				
Subdivision Application Filed:	Before and On July 15, 2005	On and After July 16, 2005	On and After July 16, 2006	On and After July 16, 2007
